ASSOCIATION OF TROJAN LEAGUES
TROJAN TRIBUTE SCHOLARSHIP FUND

HISTORY

Many years ago, the USC Alumni Association established a Memorial Scholarship Fund. In 1992, at the request of the Association of Trojan Leagues, this fund was changed, and the Trojan Tribute Scholarship Fund was created. Its theme, “Honor a Friend…Support a Scholar,” was adopted, and the fund is now publicized to Alumni Association organizations. The purpose of the fund was to meet two needs:

- To create a general scholarship fund used to assist outstanding USC students
- To provide an opportunity whereby a meaningful gift could be made to the university in tribute to a member of the extended Trojan Family, the gift to serve as a memorial or tribute to the individual and their affection for the university

Trojan Tribute Scholarships are awarded to outstanding students who are in their junior year, in recognition of their leadership and service to the University of Southern California. These scholars are chosen by the Association of Trojan Leagues’ Trojan Tribute Scholarship Committee.

The Trojan Tribute Scholarship Fund pays tribute to members of the extended Trojan Family on numerous occasions such as birthdays, weddings, retirement, graduation, and awards or in memoriam. Donations that fund this program are welcome from all friends and members of the Trojan Family.

In May of 1998, the Association of Trojan Leagues was very pleased to partner with the Board of Governors of the Alumni Association in embellishing the Trojan Tribute Scholarship program. In recognition of their many years of love and service to the university, it was decided to name these scholarships after the four women Past-Presidents of the Board of Governors of the USC Alumni Association. These scholarships are now known as the Phyllis N. Cooper Trojan Tribute Scholarship, the Lorna Y. Reed Trojan Tribute Scholarship, the L’Cena B. Rice Trojan Tribute Scholarship, and the Linda D. Maudlin Trojan Tribute Scholarship. Four more women who have served as Presidents of the USC Alumni Association have since been honored with named scholarships. They are the Ann L. Hill Trojan Tribute Scholarship, the Michele Dedeaux Engemann Trojan Tribute Scholarship, the Carol Fox Trojan Tribute Scholarship, and the Lisa Denton Barkett Trojan Tribute Scholarship. Each of these women have been long time members of their individual Trojan Leagues, and the Association of Trojan Leagues is delighted to have their names now permanently allied with the Trojan Tribute Scholarship fund.
